Attention: PCT Legal Administration
Mr. Charles Pearson

Batch/Confirmation No. 4958

Allowed: April 22, 2005

Group Art Unit: 2821

Application No.: 09/830,356

Examiner: H. CAO

Filed: June 4, 2001

Docket No.: 109380

For: IMAGE GENERATING SYSTEM AND PROGRAM

PETITION UNDER 37 C.F.R. §1.181

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully petitioned that action be taken on the attached papers to correct the filing date for the above identified application.

The application was filed as a National Stage of a PCT Application on April 25, 2001. A Notice of Missing Requirements was mailed May 22, 2001, requiring a Declaration and surcharge. In response to the Notice, the Declaration with appropriate fee was filed on June 4, 2001. The subsequent Notification of Acceptance indicated a filing date under 35 U.S.C. §371 of June 5, 2001.

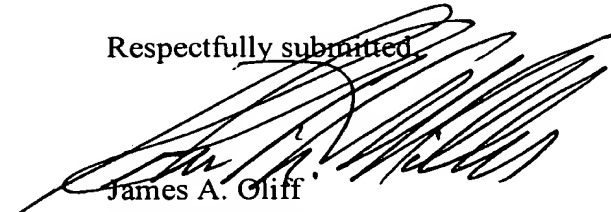

On July 25, 2001, a Request for Correction of PALM Records with a marked-up copy of the Official Filing Receipt was filed. On August 8, 2001, a Response to Request for Corrected Filing Receipt was mailed that indicated a copy of the express mail label was not enclosed with the Request and requested it be submitted. In reply, on August 13, 2001, a Letter Regarding Request for Corrected Filing Receipt was filed with a copy of the August 8 Communication from the PTO and a copy of PTO date-stamped receipt showing June 4, 2001 as the filing date of the executed Declaration (copies attached). This filing does not appear in the image files of the U.S. Patent and Trademark Office (PTO). Also filed on August 13, 2001, was a Request for Corrected Notification of Acceptance of Application with a copy of the Notice of Acceptance marked in red. This filing does appear in the image records of the PTO.

On April 22, 2005, the application was allowed. The Notice of Allowance and Fee(s) Due continued to show the incorrect filing date. Thus, on May 16, 2005, along with a Letter to the Official Draftsperson, a second Request for Correction of PALM Records was filed which also included a copy of the date stamped receipt showing the date the Declaration was filed on June 4, 2001. Attached are copies of the image file of the U.S. Patent and Trademark Office showing receipt of these May 16, 2005, filed documents.

On July 7, 2005, the Issue and Publication Fees were paid. To date, no action has been taken to correct the filing date, which is clearly an error on the part of the PTO. Thus, it is respectfully requested that the attached documents be considered part of this Petition and that the PTO act upon the Petition by correcting the filing date for the application and processing the application to issue.

It is believed that no fee is due as the error is on the part of the PTO. However, should the PTO determine a fee is due, it is respectfully requested that fee be charged to Deposit Account No. 15-0461.

Respectfully submitted,
